STRATEGIC EDUCATION PARTNERS

Dr Phani Bhushan Potu,
Founder and President
MEC, ISM EDUTECH

WELCOME MESSAGE

Dear Students and Parents,

It is with great pride and enthusiasm that I welcome you to the MD Program at ALTE University, a premier institution shaping the future of medical education and healthcare. As a leading center for medical education and research, ALTE University is dedicated to nurturing the next generation of skilled and compassionate doctors.

Our commitment goes beyond academics—we focus on holistic learning, integrating rigorous medical training with cutting-edge research and hands-on clinical experience. We aim to empower our students with the knowledge, skills, and ethical foundation needed to excel in the ever-evolving field of medicine.

At ALTE University, we believe in creating a supportive and enriching environment where students can thrive and realize their dreams of becoming globally competent medical professionals. We are honored to be a part of this transformative journey with you and look forward to witnessing your success in the medical field.

Welcome to the ALTE family!

Dr Phani Bhushan Potu
Founder & President (ISM EduTech), Med Edu Care Dubai

ISM EDUTECH PVT LTD, INDIA

We are a pioneer in revolutionizing how medical professionals are created through learning and stay up-to-date on the latest advances in their field. By providing programs that are designed on the strong structural framework supporting a comprehensive and interactive learning experience, we aim to improve the quality of care and patient outcomes.

We have catered to the aspirations of more than 14,000 students to become great doctors and made it a reality because of our strategic and vast reach. India's premier ISO 9001:2015 certified medical and healthcare education facilitator (B2C), developer (B2B, D2C) and propagator and is committed to providing solutions and helping its consumers such as Universities and students by partnering and owning the best medical universities and relevant logistics solution providers across the globe.

Ramaz Kukuladze
Rector of ALTE University

RECTOR'S MESSAGE

As we embark on another academic year filled with promise and potential, I am filled with gratitude for the privilege of leading such a vibrant and dynamic institution.

Our collective journey towards academic excellence and societal impact is truly inspiring, and I am honored to be a part of it alongside each and every one of you.

At ALTE University, we stand at the forefront of innovation and discovery, driven by a shared commitment to pushing the boundaries of knowledge and fostering holistic growth among our students. As we navigate the complexities of the modern world, our dedication to providing a nurturing and inclusive environment remains unwavering.

To our esteemed faculty, I extend my deepest appreciation for your tireless dedication to scholarship, teaching, and mentorship. Your passion and expertise are the cornerstone of our academic community, shaping the minds of future leaders and innovators. To our talented students, I commend you for your unwavering commitment to learning and personal growth. Your curiosity, creativity, and resilience inspire us all, and I am confident that you will continue to make meaningful contributions to our university and beyond. To our dedicated staff, I express my heartfelt gratitude for your steadfast support and unwavering dedication to our shared mission. Your behind-the-scenes efforts ensure the smooth functioning of our university and contribute immeasurably to our success. As we embark on this new chapter together, let us reaffirm our commitment to academic excellence, diversity, equity, and inclusion. Let us embrace the challenges and opportunities that lie ahead with courage, compassion, and determination. I am excited to see what we will accomplish together in the coming year and beyond. Remember, each of us plays a vital role in shaping the future of ALTE University, and together, there is no limit to what we can achieve.

ABOUT PROGRAM

Alte University, founded in 2001, is a fully authorized private institution located in Tbilisi, Georgia. The name "ALTE" signifies the highest point and the path to reach it, emphasizing continuous personal development. Alte University is a well-established university with over 20 years of experience. We have more than 2,100 students from 17 different countries studying at our five schools: IT, International Medicine, Business, Law, and Humanities & Social Sciences. We offer about 15 accredited programs in English and Georgian for Bachelor's, Master's, and one-step Medical Programs.

Our name, ALTE, actually means "the highest point" and the way to get there. That's exactly what we're here for: to make education the foundation for your constant development and help you reach your full potential.

Mission

To equip students with knowledge and skills essential for creating sustainable value for themselves and society.

Vision

To be a leading institution for quality education, scientific research, and professional skills development in the region.

Core Values

- Honesty – Responsibility, justice, trust, and sincerity.
- Entrepreneurship – Aiming for change beyond existing boundaries.
- Striving for Perfection – Seeking development opportunities and excellence.
- Innovation – Encouraging novel, creative, and effective ideas.

LEARNING AND CLINICAL SUPPORT PARTNERS

University at a Glance

- Fully authorized and internationally recognized.
- Newly constructed campus with modern infrastructure.
- Strategic partnerships with leading healthcare providers in Georgia.
- Student body: 3,000+ students and 2,350 alumni from 28 countries.
- Hands-on experience and practical learning opportunities.

Georgia at a Glance

Georgia has a unique and ancient cultural heritage and is famed for its traditions of hospitality and cuisine. The capital of Georgia is Tbilisi where days can be spent hitting the historical streets, museums and theaters, while during nights one can listen to modern music at bars or dance until dawn at powerhouse nightclubs like Bassiani, located underneath a historic soccer stadium. While the city is small enough to be covered in a weekend, its architectural eclecticism, mix of ancient and modern buildings, thriving restaurant and bar scene, and wealth of cultural offerings makes it unique and memorable for each visitor.

STUDENT FACILITIES

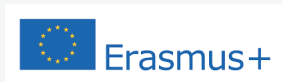

HOSTEL & MESS
