WELCOME MESSAGE

DR PHANI BHUSHAN POTU

Dear Students and Parents,

It is with great pride and enthusiasm that I welcome you to at Avicenna Tajik State Medical University, a premier institution shaping the future of medical education and healthcare.

As a leading center for medical education and research, Avicenna Tajik State Medical University is dedicated to nurturing the next generation of skilled and compassionate doctors. Our commitment goes beyond academics—we focus on holistic learning, integrating rigorous medical training with cutting-edge research and hands-on clinical experience. We aim to empower our students with the knowledge, skills, and ethical foundation needed to excel in the ever-evolving field of medicine.

At Avicenna Tajik State Medical University, we believe in creating a supportive and enriching environment where students can thrive and realize their dreams of becoming globally competent medical professionals. We are honored to be a part of this transformative journey with you and look forward to witnessing your success in the medical field.

Welcome to the ATSMU family!

Founder & President (ISM EduTech), Med Edu Care Dubai

ISM EDUTECH, India

We are a pioneer in revolutionizing how medical professionals are created through learning and stay up-to-date on the latest advances in their field. By providing programs that are designed on the strong structural framework supporting a comprehensive and interactive learning experience, we aim to improve the quality of care and patient outcomes.

We have catered to the aspirations of more than 14,000 students to become great doctors and made it a reality because of our strategic and vast reach. India's premier ISO 9001:2015 certified medical and healthcare education facilitator (B2C), developer (B2B, D2C) and propagator and is committed to providing solutions and helping its consumers such as Universities and students by partnering and owning the best medical universities and relevant logistics solution providers across the globe.

MESSAGE FROM

The Rector of Avicenna Tajik State Medical University

Dear Students!

It is with great pleasure and a profound sense of responsibility that I address you as the Rector of Avicenna Tajik State Medical University. As we embark on this journey together, I am deeply honored to lead an institution that is synonymous with excellence, innovation, and a commitment to advancing medical education and healthcare in our beloved nation.

Tajik State Medical University has a rich legacy of nurturing talent, fostering research, and producing professionals who make significant contributions to the healthcare landscape. Our institution stands at the forefront of medical education, driven by a relentless pursuit of excellence and a dedication to the highest standards of academic rigor and integrity. As we navigate the challenges and opportunities that lie ahead, my vision for Avicenna Tajik State Medical University is one of continued growth, innovation, and impact. Together, we will build on our strengths, leverage emerging technologies, and embrace best practices to ensure that our students receive a world-class education that prepares them to excel in their chosen fields. I am committed to fostering a culture of inclusivity, collaboration, and lifelong learning, where every member of our community feels valued, supported, and empowered to realize their full potential. Through strategic partnerships, interdisciplinary research initiatives, and engagement with local and global stakeholders, we will enhance our reputation as a hub of excellence in medical education, research, and healthcare delivery. As we embark on this journey together, I invite each and every one of you to join me in our shared pursuit of excellence. Together, we will shape the future of healthcare, transform lives, and make a lasting impact on our society. Thank you for your dedication, passion, and commitment to Avicenna Tajik State Medical University. Together, we will write the next chapter in our storied history, guided by our shared values and a steadfast commitment to excellence.

Medical University D.M.S., Professor

Dushanbe

1

Geographic Location

Dushanbe is situated in a valley along the Varzob River, surrounded by mountains, including the Hissar Range to the south.

2

Culture

Tajik culture reflects Persian, Central Asian, and Soviet influences, known for hospitality, traditional music, dance, and crafts.

3

Scenic Beauty

Experience the stunning natural landscapes surrounding Dushanbe, including the Pamir and Alay mountain ranges, offering opportunities for hiking and photography.

HELLO Tajikistan

Mountainous Landscapes:

Tajikistan is renowned for its stunning mountain ranges, including the Pamir Mountains, known as the "Roof of the World."

Diverse Climates:

Tajikistan experiences a continental climate with significant variations based on altitude and region. Varied Climates: Tajikistan experiences a continental climate with significant variations based on altitude and region.

Tourist Attractions:

Tajikistan is gaining popularity among adventure tourists for its trekking and mountaineering opportunities in the Pamir and Alay Mountains.

Cultural Sites:

Historical and cultural sites include ancient cities like Penjikent, with its well-preserved ruins, and the Hissor Fortress near Dushanbe.

About College

In 1939, Avicenna Tajik State Medical University was founded. The university was named after Abu Ali Ibn Sino. It has been Tajikistan's leading medical university since its establishment. MCI and WHO have given their approval to ATSMU. The university is well-known for its national and international research achievements. ATSMU has over 750 academic members and has graduated around 35,000 MBBS students throughout its 80+ years of its existence.

Here's what makes us special:

- **Modern facilities, top-notch education:** We offer a high-quality medical program at an affordable price. You will learn from experienced professors who are there to guide you, even outside of class hours.
- **International community:** You will join over 15,000 students, including 3,000 international students, from all over the world. You will make new friends and experience a diverse learning environment.
- **Focus on your success:** Our professors are award-winning and dedicated to helping you succeed. They'll provide the support you need to become a great doctor.

Academic Programs

Avicenna Tajik State Medical University is committed to providing high-quality medical education and professional training to aspiring healthcare professionals. The university offers a diverse range of undergraduate and postgraduate programs designed to equip students with the knowledge and skills required for a successful career in medicine.

Basic medical education – General Medicine (5.5 years of study)

program aimed at providing students with a comprehensive medical education. This program is designed to equip future physicians with the necessary knowledge and clinical skills for effective medical practice. Notably, ATSMU's educational program has achieved full international accreditation, aligning with the standards set by the World Federation of Medical Education.

Postgraduate studies (residency program, 3 years)

Including Clinical Residency, Internship, Master's, Ph.D. Studies, and Skills Development courses. The Clinical Residency provides advanced training in various medical specialties, while the Internship enhances practical skills for independent practice. The Master's and Ph.D. programs focus on academic and research excellence. Additionally, ATSMU offers Skills Development courses for professional growth.

HELLO FROM TAJIKISTAN

Tajikistan, a landlocked country in Central Asia, is known for its mountainous landscapes, rich history, and vibrant culture. With a population of around 9.5 million, Tajikistan offers an interesting blend of traditional and modern influences, making it a unique destination for students looking for an enriching academic experience. The country has a long tradition of education, with a focus on science, medicine, and literature. The education system in Tajikistan is governed by the Ministry of Education and Science and is based on a combination of traditional teaching methods and modern academic standards. With its low cost of living and beautiful landscapes, Tajikistan presents an affordable and culturally enriching option for students interested in studying abroad.

Student Testimonials

Shashank

IHSM has united representatives of different countries and gave us good memories of student life. I received knowledge that helps me now in my work. After graduation, I decided to return to Kyrgyzstan and continue my educational path (post-graduation) here.

Reena Gupta

Time flies like an arrow. The days I spent in IHSM were far beyond what words allow me to describe. I do believe that the solid foundation I learn in IHSM will continuously help me in my future research in medicine. Also, the friendship I had with my classmates at IHSM is an invaluable legacy in my life.

Omkar Singh

I will be grateful forever to IHSM and ISM Edutech for being an integral part of my journey and to confer scholarship. Being a founder member of IHS Student Council and a national medical student organization of Kyrgyzstan AMSA-KG, I strongly believe that medical students shall take new initiatives impacting medical education and healthcare.
